**IPPS NZ Conference 2024** is all set to go in the beautiful port city of Timaru. Our venue, the Grosvenor Hotel, is affectionately known as the "*Grand Old Lady of the South*" – possibly due to Queen Elizabeth 11 having stayed there not once, but twice! This outstanding old building no doubt has some interesting stories to tell. Check out the history while you're there and indulge in the modernist art on display that belies the history of this grand old lady.

We have an exciting line-up of activities planned, including amazing workshops on various aspects of horticultural practices, and we're working on an equally exciting line-up of Speakers to inform and entertain you. Watch this space!

Meantime, due to the South Is Secondary School Championships being held in Timaru the same weekend, accommodation is in high demand. IPPS have secured accommodation in the main venue, plus other hotels nearby. See below for details.

**Please book your accommodation asap!**

Travel to Timaru is slightly challenging for those out of town, with limited flights in and out of Timaru. Transport to and from Christchurch has therefore been arranged, however we need to know who, what, where and when, well ahead of time to ensure a smooth run for all.
